Scheduling your Appointment:

We offer group experiences on weekdays. We require at least 15 business days* notice for scheduling groups, and payment for a guaranteed number of attendees. *If it's shorter notice please reach out, we do our best to accommodate last minute requests. Not all requests will be feasible.

It is typical for a group, depending on size, to work with 1 to 2 of our Artist Instructors. Each person in the group will have 15 – 35 minutes with our Artist Instructors depending on the selected experience. The duration of your group is calculated by the selected experience, number of guests, and the number of Artist Instructors scheduled.

What happens the day of your Group Glassblowing Experience:

Upon arrival to our gallery, everyone will be greeted and asked to fill out our liability waiver. They will then head to our hot shop studio, where our Artist Instructors will introduce themselves and give an overview of the activity. Guests will then work one-on-one with their instructor to make their glass creation.

Parking: There is non-metered street parking along Armour Street and Kinzie. We're CTA Accessible via the Green/Pink Lines to the Ashland & Lake Station.

Timing: It is very important to arrive on time for your event, the Hot Shop has limited space and availability and often has programming scheduled scheduled back to back. We want to ensure that each person has the opportunity to participate, and we cannot always guarantee that with late arrival.

Event Attire: For safety reasons, it is required to wear closed-toe shoes and non-flammable clothing such as cotton (i.e. jeans and t-shirt are great). Upon arrival each student will also be required to wear safety glasses, which Ignite will provide.

Picking up your Glass Pieces: Your glass pieces should be ready for pick-up 5 business days after your event is over. We can also arrange to ship your pieces. The cost for domestic shipping is \$30 per piece within Illinois, and \$35 per piece outside of Illinois.

Food & Beverage: We do not have on-site food or beverage. You can have food delivered or bring in your own snacks and non-alcoholic beverages. We do not have cups, plates, utensils, napkins, ice etc. For a \$100 fee we will clean up after you, and provide one table. You can create a more exclusive experience by renting out the Hot Shop and work with one of our caterers to provide food and bar service. Exclusive use of the Hot Shop has a room fee of \$1,500. ****Groups interested in having alcohol on-site must hire a catering service and purchase the venue rental.***

GLASSBLOWING EXPERIENCES

Offered Monday-Friday and Weekends (when available) by appointment only

Interactive Glassblowing Demonstration

Prices Starting at \$1000*

Be dazzled for a full hour by our talented artists while they work with 2,000 degree molten glass and your guests interact with the narrator as they watch hot glass transform into art.
